

APOLLO OFFICE REMODEL

KENNEWICK, WASHINGTON

CLIENT • APOLLO MECHANICAL
PROJECT TYPE • REMODEL
CONSTRUCTION COST • \$300,000
YEAR COMPLETED • 2008

KEY PERSONNEL • LYNDA MONG (WITH ANOTHER FIRM)

REFERENCE • BOB SANDUSKY, SERVICE MANAGER

EMAIL: BSANDUSKY@APOLLOSM.COM

A former pawn shop was purchased by the client and transformed into additional office space for the Heating and Air Division. Ms. Mong analyzed the existing building and site, conducted the code review and provided the client with drawings required for a building permit. This included layout of the interior spaces and suggestions for design details and exterior finishes. The client conducted all permitting and construction functions themselves.

Before – Pawn Shop

After – Office Building
