

# CHAPLAINCY OFFICE BUILDING

RICHLAND, WASHINGTON

**CLIENT** • THE CHAPLAINCY

**PROJECT TYPE** • NEW CONSTRUCTION

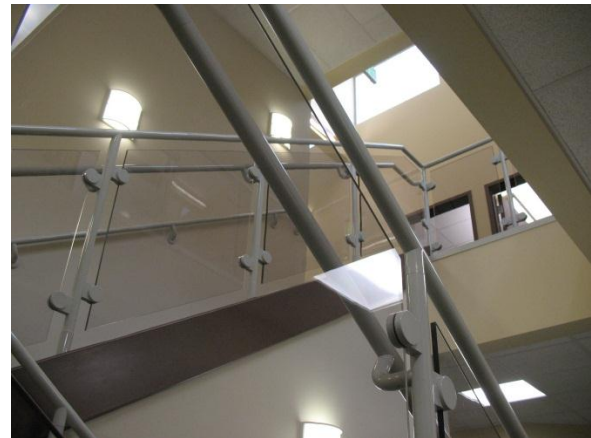

**CONSTRUCTION COST** • \$2 MILLION

**YEAR COMPLETED** • 2011

**KEY PERSONNEL** • LYNDA MONG (WITH ANOTHER FIRM)

**REFERENCE** • BETTE COOPER, EXECUTIVE DIRECTOR

PHONE: 509.783.7416

Ms. Mong was in charge of document production, including selection of staff and team member responsibilities, organization of document set, evaluation of products and materials for inclusion in specifications, coordination of building system locations within the building framework and design of interior custom casework. She also performed code review analysis and produced appropriate details to comply with specific jurisdictional requirements. Her designs for the central stairway, specialized casework and chapel ceiling have been well received by the client and public.
